Danbury Ct.

To whom it may concern;

I am contacting you to request information on my desire to purchase a city owned property  
Situating on the corner of North St . And Barnum court. On the tax assessors map the number  
H12228.

I presently owned the property next to said property Number 13 Barnum court and also the  
properties directly in front 21-23 North street and 18 North street to the right of said property.

This property would be very advantages to me for additional parking for all three properties.

Thank you for any assistance that you may grant me.
